Joseph: Greetings to thee. You may know me as Joseph.

It has become my privilege to speak to you tonight. I am grateful for this privilege and I am humbled to be in your presence.

As you draw nearer and nearer to the end, and by the end I mean the end of this Age it will become more and more difficult for you to function in your physical vehicle, also in your society. You are going to find it more and more difficult to live in your present society for the tendency to control the populations will become stronger as time passes.

Now many of these things are spoken of in the prophecies of your ancient times and all of these things will come to pass. Eventually, as is said in these prophecies, the mark of the beast will be either worn or not worn by you and the privileges that you have in the society will depend upon whether or not you bear this sign. So you see, my friends, it is going to require strong souls in the times ahead. It is not going to be easy to not yield to the temptations that will be placed before you, not easy at all, my friends. For the temptations on the carnal side will be great and the benefits in the sight of the carnal will be few on the spiritual side, but to those who know and understand will stand steadfast and bear the burden, knowing that in the end their rewards will be of a greater stature, will be of a more lasting stature.

They may break your bones, they may take your life, but what of that?

He who gives his life for his fellow man or for his principles or for what he knows to be true and good and right he shall the reward that will be everlasting. He shall be the one to reach the throne. He will know God and only in this manner will he know Him. This will be the test my friends, this will be the last test upon this level and those who pass this test will know the joy and the peace that is far greater than you can possibly now conceive.

So, my beloved children, strengthen your soul, become strong in His faith know always that He will stand by you, through all conditions, But you must always place

your trust in Him, you must stand by your truth, you must become truth. Rise therefore, and go forward in His light knowing that you are strong and that you can bear the load that will be yours to bear.

Your great Master known to you as Jesus the Christ, has shown you the way, has given you the guideline for you to follow, He has made the path, follow him, let him be your guide and your Way shower and keep your faith in him ever strong. Through Christ is the only way that you can enter in.

May the peace, the love and the blessings of the Great Master, Jesus the Christ, and all those who work with Him as emissaries be invoked upon each of you here this night. May each of you find peace through Christ, may each of you follow closely in his footsteps and wander neither right or left.

Peace, Peace, Peace. ☸
