These lectures are not of a religious nature but rather deal with the science of human potential and evolution. This document is a direct transcription from the original recording. Nathaniel: I greet you, my beloved children, I greet you in peace and in love.

I came not to bring to you scores of words, but I came rather to bring to each of you a special blessing which we hope will be of great benefit to each of you. Now I am going to leave this instrument in a few minutes and I am going to stand before each of you and I shall pour out a blessing upon each of you, reinforced by other Masters and we hope it shall be beneficial in many ways to each of you.

We would ask that you make yourself comfortable. Relax, take on an attitude of praise and thanksgiving. Let each of you pour forth from your innermost self the praise that you feel for your Creator. Let peace and joy overtake you. Open your hearts to Him and let this great river of life-giving energies flow into your hearts and let it give you peace, joy and understanding.

Peace, peace now reigns in the hearts of each of you. You are each a channel of love and peace.

I come to you, one by one.

(Pause while this is done.)

It is done. It is our most sincere wish that you have received as we have given unto you.

May each of your hearts be raised to new heights in His Glory. The "Day of the Lord" is not far off. Heed His teachings. Be observant of His ways and follow Him. Use his laws in everything that you think, that you wish, that you do, that you say, for He is the Light and the Way. Let His Way be made clear.

The Father hath need of the talents of all men. Each man is endowed with God-given talents and they were given to him that he might use them to glorify God. The Masters have need of your talents.

I go and you may follow.

Peace be with you, beloved friends. May His love and His peace dwell ever in your hearts.

I am Nathaniel. ✿
