

Caveat: These communications are informative teaching instructions for those who seek to increase their understanding of themselves and the magnitude of the future lying before us all. These lectures are not of a religious nature but rather deal with the science of human potential and evolution. This document is a direct transcription from the original recording. Although it has been checked for obvious errors, it has not been finally edited.

Samuel: My greetings to you, my beloved friends. I am Samuel. I will spend but a few moments with you at this time.

I know that all of you are attempting, in one degree or another, to walk the Path that your Master set for you, but I would urge that you walk closer and closer to the Lord. Read His words for in these words are all of the rules to live by, all that you need to know to gain entrance to His Kingdom.

If you are to be a Christian, a true Christian he is one who attempts in every way possible to be Christ-like. Many Earth people call themselves Christians, give much lip service to being a Christian but they follow not His Path, they heed not His words.

Times are rapidly coming upon you when you will need all of the strength, all of the courage and stamina that you can gather. Calling oneself a Christian in the near future is not going to be popular yet it will be profitable to you spiritually. For when one is well grounded in Christ, fear does not overtake him. He does not fear the forces of evil for he knows, though they may take his life, yet they have not taken his life. He knows that they can destroy his physical temple but they cannot destroy his soul or his spirit.

I know that it is difficult for Earth people to realize that the things that have happened in the past can happen again. They feel that they are too civilized in these times for these things to happen.

But, my friends, if you will look closely to the past generations and look closely at the present, you will find little difference, they merely do things in a different way and call it civilization. But as in the past so will it be in the future. Those who walk with the Lord will emerge victorious and will receive their reward not as man rewards but rewards that only God can give.

Treasures upon this Earth are worthless. They will pass away but the treasures of the Kingdom will never pass away. They will serve you through all eternity.

May His peace, His love and His wisdom grow ever stronger in the hearts of each of you and may you grow stronger day-by-day so that you might meet the

challenges that are before you with power, with love and with wisdom.

May the love and the blessings of all the Great Ones be invoked upon each of you this night.

Go in Peace, my friends, go in Peace. ☸
