

*Caveat: These communications are informative teaching instructions for those who seek to increase their understanding of themselves and the magnitude of the future lying before us all. These lectures are not of a religious nature but rather deal with the science of human potential and evolution. This document is a direct transcription from the original recording. Although it has been checked for obvious errors, it has not been finally edited.*

**Joseph:** All hail to you there and to each of you my special greetings. I am Joseph.

I have little to say for I'm going to leave this instrument again in a moment and I and another will stand before each of you and pour out a special blessing for each of you. Now this will take some time so you may as well discontinue your recording device. I go.

*(Pause)*

It is done. We hope that in the days to come you will have received much benefit in many ways.

May each of you go forth this night with greater confidence, with greater hope, with greater love and may you carry this with you from now on.

Let the joy and the peace of the Great Ones sing in your hearts. Let your hearts rejoice and be exceedingly glad for the days are soon to arrive that will set you free. Free from more than you think or realize. For these times will be the removing of the chains and the shackles from those who walk in the Light.

May His grace and His love shine upon you and upon your path as you go forth. My love I leave with you.

I go. ♣
