**Teacher:** Greetings to you, my children. My blessings and my peace I give unto you.

Each of you here tonight are seeking His Kingdom and have the desire to be servants in His Kingdom. Now, my beloved ones, these are high ideals. We commend you for having these desires but if you would gain His Kingdom and become His servant the road is narrow and rough. It is not an easy journey, it is one that will require much courage and much sacrifice. The doorway to His Kingdom is very narrow, therefore you will not be able to take anything with you upon your back.

Few there are who are willing to make these sacrifices. Few there are who are willing to leave behind their carnal desires. Few realize the true meaning of entering the Kingdom. But you, my beloved children, have read the Scriptures, you have read the words of the teaching brought forth at the beginning of this Age, but have you pondered them deeply and come to a realization of the true meaning? And if you have, have you considered and pondered these things and come to a conclusion? Do you realize that where your treasure is there will be your heart, that this will be your God? It is necessary in the eyes of the creator to place the first things first, knowing that He will take care of the other mundane things.

So, beloved ones, as you go forth in the service of your Father, keep these things ever in your mind and make it clear to those with whom you contact and those who look to you for spiritual guidance that these things are made clear and understood. The large portion of the people of Earth are either serving their carnal master, with no thought of their Heavenly Father or they are attempting to serve both, and to serve both you know is not possible. It is also important that you emphasize the fact that the day of judgment is not far off when the Book of Life will be opened and each shall see his record and each shall make his judgment. Each shall know and realize then where he has gained or where he has failed. Few there are who have followed the Path, despite the teachings and warnings, it has been difficult for Earth man to realize the things that he or she must face.

Your civilization, by and large, has been built upon the foundation of the carnal rather than that of the spiritual which is the foundation of the rock. And now as in the days of old, the sand is washing away and the houses are beginning to crumble. As you go forth to teach enter only the house of those who will receive you and listen. To those who refuse to listen and rebuke you, shake their dust from your feet and move on to more fertile ground. To plant your seeds among the rocks or upon the trodden path where the earth is hard and trampled is a waste of time, especially at this point in time. So try to plant your seeds where the ground is fertile, where they will spring forth and bear fruit.

The workers are few in the fields, the harvest is ready. So much work is needed in the Kingdom of our Father. So if you would be His servant we bid you go forth with these things in mind and do your part in reaping the harvest. I leave you with my love surrounding you, enfolding you, and my peace permeating your heart, for a peaceful heart is a happy heart and a happy heart rejoices and goes forth with praise and love for his fellow man and all things that are in the Creation of His Father. Peace, peace, peace. ☸
