

Caveat: These communications are informative teaching instructions for those who seek to increase their understanding of themselves and the magnitude of the future lying before us all. These lectures are not of a religious nature but rather deal with the science of human potential and evolution. This document is a direct transcription from the original recording. Although it has been checked for obvious errors, it has not been finally edited.

Clyde: As we were meditating a familiar but unknown being came in and led a ceremony of chanting and symbols. Joseph, Nathaniel, and all of our personal teachers took part in this.

The blue in the room became very dense. After the dense blue was established it faded into various shades of blue and then into shades of green. At one time there was a mixing of all the colors blending together like a rainbow. Each color was fading from dark to light then fading into another color.

When this was well established, Nathaniel took a golden goblet around to everyone. The goblet had "Brotherly Love" written on it and resembled one they used in a ceremony that took place sometime ago.

The ceremony continued, the colors were vibrating and changing. There were tones that corresponded to the colors.

After Nathaniel had been to everyone, the colors began to fade and the tones became less and less. ♣
