**Nathaniel:** Greetings to you, my beloved friends. I am Nathaniel.

You have just celebrated the birth of a great Master Mind who came to your planet at the beginning of this Age to bring to you and to demonstrate to you the great meaning of Christ, which was to be the lesson for your civilization of this Age.

Few of your people have comprehended the true meaning of the teachings which He brought. Many of your religions teach that He is the Savior which is true. His name implies this. They teach that the only way to salvation is by accepting Him as your personal Savior but they do not comprehend quite the true meaning of this. For it is not the man, as such, that you must accept but as the symbology implies: The Christ Child being born in the manger signifies the Christ, or the true love which the word Christ implies, that this Christ Child or true love must be born in the heart of man if he is to be saved from his own destruction. This can only be done by your own acceptance, by inviting this Christ love to be born in your heart and then by you it must be nourished and brought to maturity where you have a true understanding of love.

Love, as it is thought of by the majority of your peoples is only an emotional thing. True love is not emotion, neither is it possessive, for in the true love you love all things for what they are and not for what they appear to be. You see in all of God's creations that love and you feel it within you. Once you have brought this to maturity in your being, you could not have resentment, you could not have fear or prejudice or injustice. For where these things dwell, love is not mature.

This lesson has not been well learned by the masses of your civilization for it is the lack of this that has brought about your wars, your great materialistic desire that is in the hearts of most of your peoples. In true love one desires only that which is good for all and thinks not of his own needs. He thinks in terms of what will benefit all mankind and not in terms of self or of a few. True love is true brotherhood of man and this has not been expressed to any degree in your civilization.

But beloved ones, the time is fast approaching when a true brotherhood of man shall be established upon your

Earth. Soon again, contrary to the belief of many, this great Master Mind shall walk again upon the surface of your planet and shall guide and direct those who have been true to the cause in establishing a new Earth, a new brotherhood of man where justice will prevail. It will be an Age of justice, not as it has been known in the past but a true era of justice, of peace and goodwill to men.

Man, in this new Age that is upon you, will have a greater capacity to understand. Many of the things that could not have been revealed to him in this Age because of his incapacity to understand will be revealed and they will understand. They will be able to use many of God's laws that they had not been able to use before. Events of the New Age would not be comprehensible to the majority of your peoples today.

It is going to require a great deal of effort on the part of those who are chosen to establish this New Age. A great deal of effort will be spent in doing and in learning for nothing is gained without work and effort. It was not ordained that man should accomplish without effort and work for if he were to do this he would not retain it. or cherish it, as only that which man earns and comes by in this way does he cherish. So I say to all people of Earth. Prepare, sleep not lest the bridegroom come when you are not ready. Prepare your wedding gown by nourishing the Christ love in your hearts.

So I say to all people of Earth, prepare, sleep not lest the bridegroom cometh and your wicks are not trimmed and your lamps are not filled, and make sure that you are not able to attend the wedding because you do not have the wedding gown.

May the love, the peace and the joy of all the Great Ones be invoked upon each of you this night. May each of you cherish and nourish this Christ love in your hearts that it may come rapidly to maturity and through this, your wedding gown may be complete and prepared.

Go forth in peace, beloved ones, peace, peace. ☸
