

Caveat: These communications are informative teaching instructions for those who seek to increase their understanding of themselves and the magnitude of the future lying before us all. These lectures are not of a religious nature but rather deal with the science of human potential and evolution. This document is a direct transcription from the original recording. Although it has been checked for obvious errors, it has not been finally edited.

Yaum: Greetings to you, my friends, I am Yaum.

The boy here persuaded me to at least give you my greetings since I was here tonight. I came with Anthon, and I wish to extend to each of you the season's greetings and a happy and prosperous new year. I wish to place my blessings upon this household and express my gratitude to the heads of this household for inviting me in.

I heard the predictions that Oxal gave to you and I would concur with everything that he said. He did not cover everything so I could add that there will continue to be drought throughout the world and even in your country. From what I gather there will probably be a major earthquake in the western part of your nation this year, plus many smaller ones. The unusual weather conditions shall continue and that is all that I will contribute to the predictions.

Questioner: Can you elaborate a bit more on Oxal's comment about the "true religion"?

Yaum: He was referring to the knowledge that was known in ancient times, I would say from one to two hundred thousand years ago, which was taught by the Mother country of Earth at that time, known to and referred to as Mu. This was the true religion that your Master Jesus the Christ studied when he was in the Temple of Tibet. All of these teachings are preserved in some of those Temples. The Master Jesus, we think, is the greatest Master that has ever come to planet Earth. He was well versed in these teachings and that is why he was able to do the things that he did.

Your Christian people understand very little of the Christian teaching because if something is done that is unusual and unknown to them, they term it a miracle and there is no such thing as a miracle. It is merely knowing the law.

But as Oxal said, we will talk more about this another time in detail as it would require too much time to do it now. We cannot give you the full information upon this as you are not ready for yet on this level. But upon another level it is being given to you and will be available to you when needed.

It was through this knowledge that Jesus walked upon the water, walked through fire and performed all of the so-called miracles, etc. These are all Earth forces and man has control over these forces, once he knows how to use his inner power. All of these things are being taught and will be available to you.

Questioner: Will we be receiving instructions about how to protect ourselves against psychic attack?

Yaum: Yes, we will give you more on that at a future date.

Now, my friends, as I leave I would like to extend my blessings and my love to each of you and would ask that the love, the blessings and, the power of all the Great Ones be invoked upon each of you here tonight and upon this household.

Go in peace, my friends, go in peace, peace. ✨
