

Caveat: These communications are informative teaching instructions for those who seek to increase their understanding of themselves and the magnitude of the future lying before us all. These lectures are not of a religious nature but rather deal with the science of human potential and evolution. This document is a direct transcription from the original recording. Although it has been checked for obvious errors, it has not been finally edited.

Samuel: Greetings to you, my beloved friends. I am Samuel.

There has been a concentration of cosmic, healing energy concentrated here for you this night. We would like you to use this energy. We would like you to learn to use this energy, for in times to come this will be very important to many of you. Now I am sure that most of you have been aware of this energy tonight, for it has been concentrated here for some time. Now we should like each of you to take this energy into your being. Offer yourself as a channel for this energy. Ask that you might be filled with it. Take this energy and direct it to any part of your body that may be in need of healing,

Ask that this energy may bring about in you, harmony where it is needed. That those parts of your body may be brought into harmony, into tune with His universal mind. Direct this energy to every cell of your body. See it flowing from head to toe, balancing and harmonizing every cell of your being. See it also flowing through the soul, through every part, bringing it also into harmony with your creator. Let an attitude of love, of gratitude, of praise and thanksgiving flow forth from your being, knowing that you are because He is, and this being so, you are made whole.

Now that you are filled to overflowing, direct it to those whom you would help, to those whom you know who are in need, and as you send this forth, send it forth in love.

In the name of the Christ, it is done.

Let us give praise and thanks to the All Knowing One,

We hope that each of you have gained much this night. We would like to see each of you practice the use of His healing energies,

Learn to command them, to draw them forth, for as I have said there will be much need in the days ahead and we wish to see all light workers prepared to do His work.

Peace be with each of you, beloved ones,

Peace. Go in peace.

Learn to use the healing and protective energies. ✿
