

Caveat: These communications are informative teaching instructions for those who seek to increase their understanding of themselves and the magnitude of the future lying before us all. These lectures are not of a religious nature but rather deal with the science of human potential and evolution. This document is a direct transcription from the original recording. Although it has been checked for obvious errors, it has not been finally edited.

Hatton: Omnipresent Spirit of Creation, send forth Thy Light, that these, Thy children, might have enlightenment and wisdom.

Greetings to you, children of the Light. I greet you in the Love, the Light of the Infinite Creator. I am Hatton.

Your gatherings have been many. Your growth has been gradual but progressive. You have been urged to concentrate upon self-development, and believe me, beloved ones, this is important. It is of uppermost importance at this time.

It is important because very soon, very soon, you shall need your spiritual power to carry on with your tasks. The effort put forth has not in many cases been as it should have been. Many times the forces of darkness have been responsible for your departure from the path. It is well that ye be aware of your thoughts and your actions at all times and weigh them, for the forces of darkness are putting forth great efforts to sway you from the path. You must develop to the point where you can say, and mean it, "Get thee behind me, Satan, I will have none of thee. I will follow only the path of Love, of Light."

Harken well, beloved ones, what I shall say unto you. The plan is unfolding. It is unfolding more rapidly than you think or realize. Your opportunities to serve and take your place are presenting themselves. Each of you must go within, in the darkness of your closet, and there find within you the recognition of what you are to do and the Great One who hears all and sees all, shall reveal unto you that which is for you.

The stage is set, the curtain rises, the players must come forth, Yes, there must be great humbleness, for the least among you shall be the greatest, and the greatest shall be the least. Know ye not that ye are servants, servants to a great cause, to a great humanity. The earth civilization hangs in a balance. Which way shall it tip? You, as well as we, hold the key in your hands. Each of us must do our part. We are weakened without you, and you are weakened without us. Do not underestimate your ability, for within you is locked great power. Release it, that it may serve to glorify our Father.

May each of you find great strength and great joy in your service to your Creator and your fellow man. May each of you through your inner seeking find and recognize your opportunities and fulfill them as they should be fulfilled. May His love and His Blessings rest ever with you, and in the final days, when the Great One returns, may you glorify and rejoice in this event.

My Love and my Blessings are yours. I am Hatton. ✠
