

Caveat: These communications are informative teaching instructions for those who seek to increase their understanding of themselves and the magnitude of the future lying before us all. These lectures are not of a religious nature but rather deal with the science of human potential and evolution. This document is a direct transcription from the original recording. Although it has been checked for obvious errors, it has not been finally edited.

Teacher: Greetings to you, my friends.

Your hour is late. I shall be brief.

My friends, you are seekers of truth, otherwise you would not be here. It is well that you do so, for truth, in reality, is the goal of all men. But to know truth you must become truth, that being the law. Seeking the way is well, to find His Kingdom, but it is also necessary to follow in the footsteps of the way-shower.

The key to the Kingdom is purification. One must purify his own mind. Think upon the things that are good. Let not the desires for self and the carnal man possess you, for if your thoughts and efforts are bent toward the desires of the lower man, for accumulating man's goods and gold, you cannot enter into His Kingdom. For where your heart is, there will your mind be also and the mind cannot be purified when it is concentrating upon these things.

If you are to develop inwardly, if your soul is to grow in truth, in love and in understanding, then it must be fed the things of soul. The soul does not thrive upon the carnal things but is only weakened. I say to you, my beloved children, in the days that are ahead, there will be need for strong souls, your soul will need to be strong to survive in these times. It has been said that those who follow the Path of righteousness, those who have entered in, need have no fear—that a thousand could fall on your right and on your left but nothing shall come nigh unto you. These words, my friends, are not idle words. They have been proven and demonstrated many times by many of your peoples, and I promise you that you will have the same protection if you but make the choice and follow the Path. For when you have developed this state of consciousness you have created a wall about you, reinforced by the Masters, that will give you protection at all times.

Value not this house of flesh, for it is but a coat that is laid aside when you have finished using it. Though you lose your house of flesh you still have the soul. But the protection of the soul is your main obligation. Nothing can ever destroy it as long as you remain in this Light. Man can destroy that which is carnal but he cannot destroy soul. If you lose the carnal for your fellow man you have not lost your life you have gained life eternal.

Serve your Creator in every way possible. Let not an opportunity pass you. You serve your God by serving your brother man and this is the only way that you can serve Him. For as you do unto these, even the least of these, you have done it unto Him. This is well worth remembering, for when you have wronged another you have wronged your Creator and yourself. That is why we do not do to another what we would not have them do to us. The law is specific in this matter, as it is in all matters and it is well to remember that it is not the act by which the Book of Life will bring judgment upon you, but the thought. To think evil, or wrongdoing to another, in the eyes of your Creator, is the same as committing the act.

I have said enough. May the peace the love, the understanding and the blessings of the great Brotherhood be invoked upon each of you now.

Peace, beloved children, Peace, Peace.

So be it. ✿
