**Samuel:** Peace to thee, my beloved children, and peace on earth, good will to all men.

Greetings to thee, my beloved children, I am Samuel.

Since you are at a period in your time when you celebrate the birth of your Lord and

Savior Jesus the Christ, I think it might be appropriate that we talk a little about the symbology and the meaning of this event, so that perhaps, it might bring a little clearer understanding to you.

The birth of the Christ Child also has a symbolic meaning for all men, for this is an event that must take place at sometime in order to bring you to the point in life that you are striving for. This event is symbolic of the Christ Light being born in the heart of man and when this Christ Child is born in your heart it brings about a great change in your life and prepares you for greater things to come. This is the beginning of the development of the love of God in your life for you see Christ, the word Christ denotes love. The name Jesus means Savior so you see even the words, the name bears out the meaning and the purpose. Love being one of the three aspects of God. This is a part of the Trinity—god the Father, god the Mother, god the Son. The Father denoting power, the Mother denoting wisdom, understanding, the Son denoting love.

In the beginning there was only a thought and the word and from this thought developed the power or the Father. And as He breathed forth the Mother-God came into being, the Wisdom. And as the Two breathed forth the Son was born, Love or the Christ. It is true, the Son, the only begotten Son of the Father-Mother God, was sent forth to manifest in flesh. To manifest in the fleshly body of one who, through his incarnations, had grown to purity and to love and to understanding and was worthy to carry out this mission. He was one who had grown to great magnitude and was willing to make the necessary sacrifices by bringing the Christ through him to man, that he might see and hear. And that man might be shown the way to His Kingdom and this, of course, was his mission, the God of Love manifesting to man in manly flesh, showing the way, overcoming the world as all must do eventually.

In His teachings He made this very clear, that the things He did, all men could do and greater things. This great Master and Teacher, this great Savior of the world is still among you, waiting to help you, waiting to show you the way when you are ready to follow in His footsteps.

So, beloved friends, reach out and take His hand. Let Him plant the seed of the Christ

Child, the seed of love in your heart. Ask Him to purify your minds, your bodies and your souls and ask Him to lead you on in His path. But, my friends, you must be sincere, you must want this above all else. You must place first things first, you must put your trust in Him and in the Father and you must have faith. Let your faith become strong. Know that through the Father within and the help of your Elder

Brother, that all things are possible. You are the Children of this Father. His love for you is greater than you could possibly realize. He is ready and willing to give you His

Kingdom. Are you ready to receive it? It is there and waiting for you when you are ready to receive it, so let this seed of love spring up in your heart and blossom forth and pray that the Holy Breath may fill you to overflowing with Her spirit of wisdom.

Think upon these things, my children, meditate upon these things for His Kingdom is at hand. The day draws near when again His great Light shall bless your earth once more. May this spark of love grow rapidly in the hearts of each of you. May each of you come into the realization of the greatness of God. May each of you be ready very soon to enter His Kingdom. Peace be with you, beloved, peace, peace.

Dear Jesus, I reach out and take your hand.

Please plant the seed of the Christ Child, the seed of love in my heart.

Purify my mind, my body and my soul and lead me on in your path.

Fill me with the strength, courage and wisdom to carry out God's will.

I will try to be sincere and put first things first and put my trust in you and in the Father.

I will have strong faith in you and in the Father.

I know that through the Father within and the help of you, my Elder Brother, that ALL THINGS ARE POSSIBLE.

I am a child of this Father and He has great love for me.

He is ready and willing to give me His Kingdom when I am ready to receive.

I let this seed of love spring up in my heart and blossom forth. I pray that the

Holy Breath may fill me to overflowing with Her Spirit of Wisdom.

Beloved Jesus, the Christ, I place my faith in you. I put my hand in yours and walk in your steps. I rejoice in you. I praise and give thanks that I can walk with you and talk with you. I give thanks for the blessings that are mine. I will use my God-given talents, my mind and my voice to glorify Him that, day-by-day, I may become More like Him. ✞
