**Samuel:** Greetings to thee, my beloved friends, I am Samuel.

I come to you tonight for but a moment to attempt to bring to you a blessing and to help. But you must cooperate if you are to benefit.

The enlightening and healing power of the Creator, the Christ Light and the wisdom of the Holy Breath, is available now to each and every one of you here. Prepare yourselves to receive. How you receive will depend upon you. Humble yourself before your Creator and ask for this power. It is available, it is there accept it.

Lay aside all earthly things. Let no thought of resentment enter your mind, but rather cast aside all carnal things and bare your soul before your Creator and receive His Light.

Let peace reign supreme within your soul. Let each soul here tonight be washed clean that the Christ light may flow freely through every cell and every fiber of your being, both your soul and your physical body. Let each be cleansed according to its need. This light and power can bring you peace, can bring you wellbeing can bring you wholeness if you will but open your heart to Him and let Him flow into you. Let Him come into your life. Lay your hand in His and walk with Him that he might guide your footsteps now in the path of righteousness.

Let not the petty things of life disturb you become master of them.

When you are disturbed by people and events about you, say, Peace, Peace, let Peace reign supreme in my life.

Each of you contain all of the attributes of your Creator. Let these attributes become master of your life. You are entitled to a peaceful mind, to a healthy body and a prosperous life. The only reason man does not have these things is because he has not cooperated with the laws of his Creator. The power is available this night, it is concentrated here for you to use. Take it now, beloved ones, take it now and direct it where it is needed in your life.

May each of you have received this light in abundance tonight. May each of you, as a result of this, find peace and love more abundant in your life. May your bodies and your soul go forth with new strength, with renewed vitality.

May your physical problems fade away to nothingness and may your lives be filled with abundance.

My peace and my blessings I extend to each of you. I hope that each of you have been abundantly blest this night.

Peace, my friends, Peace, Peace. ☸
