

*Caveat: These communications are informative teaching instructions for those who seek to increase their understanding of themselves and the magnitude of the future lying before us all. These lectures are not of a religious nature but rather deal with the science of human potential and evolution. This document is a direct transcription from the original recording. Although it has been checked for obvious errors, it has not been finally edited.*

**Special:** Blessings to you, my friends. Peace be with you.

Great and glorious spirit of creation,

Let the eyes of these, thy children, be opened

That they might see the mysteries that are before them.

That to them may be revealed the key that opens the door to life itself.

May their knowing and knowledge and understanding be made known to them now.

May their hearts be opened, may each in his own way come into an understanding of universal love as it is known in the higher realms of life.

May an understanding grow between these, thy children, that will bring them to an aoneness, that can nevermore be broken.

So be it. So be it. So be it. ♣
