

Caveat: These communications are informative teaching instructions for those who seek to increase their understanding of themselves and the magnitude of the future lying before us all. These lectures are not of a religious nature but rather deal with the science of human potential and evolution. This document is a direct transcription from the original recording. Although it has been checked for obvious errors, it has not been finally edited.

Zalhem: Greetings to thee, my children.

I come to thee tonight for but a few moments. My words shall be few. I come with my blessings for each of you here and to say to earth people that now is the time. You are living in a time of great turmoil, of great challenges and great upheavals, both in your earth and in your people.

But on the brighter side you are living in a time when more grace is available to each of you, when the outpouring of the Spirit is greater than at any time in this age.

Many of your people are here at this time with very little karmic debt to be paid and through proper efforts, the use of love and service, can quickly bring themselves to a point where they can receive this outpouring in great quantities, where the light of the Christ can envelop them and bring them into a new life, a life eternal.

But be aware, O people, be aware by realizing that this is the time to make the great effort and not to build yourself other phantoms to be left behind. But rather eliminate those which you have created in the past, and enter into His Kingdom. For there will you find the joy and the peace as you have never known it before.

Be ever aware of the little seeds of hate, resentment, prejudice that are being planted in your consciousness from those who would not have you enter therein. Do not allow these seeds to become fertile and to grow in your consciousness. But rather surround them with the love of Christ for in this love they cannot grow.

“Judgment is not yours,” saith the Lord, for in the Judgment Day the judgment will be taken care of and you need not be concerned about it. All things are written and recorded in the “Book of Life” and when this is opened each will be judged accordingly. So, therefore it may not be necessary for you to concern yourself in any way with judgment, but rather use this energy that would be expended in that direction to glorify Him and to seek His ways.

I give to each of you my peace and my love and my understanding. May each of you here grow rapidly in

your understanding of His ways and may each of you be able to fulfill and enter therein, by His grace.

May the love of the Masters be invoked upon each of you now.

Peace be with you. ✿
