

*Caveat: These communications are informative teaching instructions for those who seek to increase their understanding of themselves and the magnitude of the future lying before us all. These lectures are not of a religious nature but rather deal with the science of human potential and evolution. This document is a direct transcription from the original recording. Although it has been checked for obvious errors, it has not been finally edited.*

**Joseph:** Greetings to you, my children, I am Joseph.

I am only going to take a moment of your time for I know that your hour is late. I came only to extend to each of you my blessings.

May the Christ Child be born in the hearts of each of you and may you nourish this Child to maturity rapidly. May each of you find great peace in your hearts.

I ask that the blessings, the love, and the peace of all the Great Ones be bestowed upon each of you.

May each of you in your journey inward find that, that will bring you that which is for you, which will take you on the path that will give you that which is needed for your growth and development.

May you find that peace and joy that you seek. Go in peace, beloved, go in peace. Peace, peace, peace. ♣
