

Caveat: These communications are informative teaching instructions for those who seek to increase their understanding of themselves and the magnitude of the future lying before us all. These lectures are not of a religious nature but rather deal with the science of human potential and evolution. This document is a direct transcription from the original recording. Although it has been checked for obvious errors, it has not been finally edited.

Anthon: Beloved friends, as you approach your festive time, may each of you find the Christ Child born in your heart.

May the true Symbolology of Christmas become a true realization to each of you.

May this love become manifest in your hearts and may it grow rapidly to maturing so that you might come into a true realization of Universal Love.

May the true spirit of Christmas sink deep into the hearts of each of you so that you may be able to manifest this throughout the year and for ever more.

Peace, peace, peace. Go in peace. ☸
