These lectures are not of a religious nature but rather deal with the science of human potential and evolution. This document is a direct transcription from the original recording. Zalhem: Greetings to you, my children, I am Zalhem.

Questioner: How can you put up with us sad sacks?

Zalhem: Well, that's not easy. It's a good thing I have a lot of patience. I don't know how I'm going to continue to tolerate you Earth people.

Questioner: Please hang in there, like we have to.

Zalhem: So, it looks to me, in gazing around here, that all of you could stand a good cleansing and a color treatment today. So I will dispense with the words and Nathaniel and I will get busy and do out work.

Questioner: Are you going to leave?

Zalhem: Yes, I will leave the boy here and we will work on you, clean you auras and fill them with some good vibrations.

Questioner: So you are saying good-bye now?

Zalhem: Yes, I'm saying bye-bye, but I'm still going to be here, but not speaking or using the boy's vehicle.

Questioner: We thank you and appreciate all that you do for us and give to us. And do please come back.

Zalhem: Sometime I might, if you are good boys and girls.

Questioner: We are going to really try to be.

Zalhem: Be positive, open and receptive to the energies that we will now give to you.

Peace, beloved ones, Peace. Peace. ♣
