**Clyde:** I saw as well as experienced—I know that I was present—the following ceremony that took place. It occurred either in an open place or in a very large room. But it seemed like it was outside.

Everyone here tonight was present, plus a number of other people who have been here with us. Also, many were there with whom we have been closely associated in the past.

We were standing in a large circle with an opening at one end where there were two large tables. Each individual's Etheric Teacher was there standing by them. Then the Teachers, in turn, walked to the two large tables. On the tables were many golden goblets.

Standing by the tables were two beings, one with whom we had been very close in the past. (*Name.*) He was filling the goblets from a gold pitcher, one of seven, which was labeled "Hope." Then he handed them to the other being of great light, who in turn, gave one to each of the Teachers.

The Teachers then walked to each of their pupils and stood in front of them. This procedure took place seven different times. Each time the goblet was offered, it had a different label or word on it. The words on the goblets, in the order presented, were:

HOPE - FAITH - HUMILITY - TOLERANCE - LOVE -  
WISDOM - POWER

The Teachers were wearing purple ceremonial robes and each one wore a pendant. Each time they gave a goblet to their pupils, the Being of great light—at the tables, who had handed the filled goblets to them—spoke a few words very fast, in a tongue that I did not understand. Nor did I have any feeling or impression of what the words meant.

This was a beautiful, enlightening and inspiring ceremony. ✨
