Zalhem: Greetings to you, my children, I am Zalhem.

Tonight there are certain beneficial energies that are being concentrated here to bring help and protection to all of you. Also, there are healing energies being released here tonight by certain individuals. We hope that each of you will take advantage of these energies.

First I would like to talk for a moment about the protective energies that we are releasing here tonight for your benefit. These energies, if you are open and receptive to them, should raise your positive attitudes or states of mind. We are doing this for a specific reason. At this time certain planetary activities are taking place, the conjunction of certain planets. I will not go into this except to say that this conjunction is bringing about certain pressures and influences which causes the negative side of individuals to come forth.

That is why you are seeing some of the things happening that are happening in your civilization today. Things that horrify those who are of a higher state of consciousness. The exposure to the energies that we are bringing forth here tonight will help you to combat the other energies that are being thrust upon you. Be mindful of this, be mindful for the next twenty to twenty-five days and keep your thinking and your actions as positive as you possibly can. The energies that we are giving you tonight should help you to do this. So make yourselves open and receptive to these energies, take them into your being and let them become a part of you.

Now, those of you who need or feel the need of physical or spiritual healing, relax, open your hearts to Him. Let the healing light of the Christ flow now through every atom of your being. Become not tense but rather relax in the arms of the Father, that His healing emissaries might let their healing energy flow from the tops of your heads to the tips of your toes. Have no doubt of His healing power, let it flow, let it flow.

There is nothing too great, too severe that He cannot overcome, His power is all-powerful, it transcends all else. You are, because He is. He is perfection, therefore you also can be perfection. Declare your oneness with Him for you are a part of Him. If there is

inharmony in you then let Him bring you into harmony with Him that all might be well with you,

His healing power is here, it is here now. Take it, use it, it is yours to take. It is not limited. There is enough for all.

Take that which you need. Humble yourself before Him, touch the hem of His garment and know that you are healed. You are perfect in His sight, become perfect in your own sight. Cast aside the feeling of unworthiness, of guilt and step forth pure and whole. Without Him we are nothing, with Him we are all things.

My beloved ones, I hope and pray that each of you have received the benefit that you needed and wanted and that each of you will go forth renewed in His strength, in His light and His wisdom. I ask all the Great Ones to pour forth their blessings upon each of you and I would that each of you find the Peace and the joy in your hearts that you seek.

Go in Peace, beloved ones.

May Peace reign supreme in the hearts of each of you.

Bless you, one and all. ☸
