Mr. R.: Good evening to you, my friends, I am Mr. R.

As you meditate, give your thoughts, your light, your prayers, to those unbelieving ones, who so much need your help. Time rapidly approaches when these, as all others, must definitely make their choice. The time for separation draws near, beloved ones, it draws near. Soon, very soon, your people, regardless of the opposition, are going to become aware of our presence, and our purpose shall be made known to them. Our hand of friendship extended for all to grasp who care to accept our aid.

We come only to do good, to offer a helping hand to those who will accept and believe. To you, beloved ones, who are attempting to offer yourselves in service, your efforts are not going unnoticed. You are being given aid, more than you realize. Sharpen your awareness that you might be better able to use the help we are sending you. Enter into that a oneness and love that is being offered to you. Become aware of it. Use the power and wisdom that has been given you.

Do you realize my friends, the power that is contained in that love that is being offered you? Do you realize the power that it will place in your hands, once you are established in it? It means, beloved ones, that all things are yours. Once the true love center is opened within you, all else is yours. Think, beloved one, think what this means. It means a great overcoming. It means a whole new concept, opening before you. But it all must start. The beginning is love, love for your creator, love for your fellow man, love in all that you do. You express only love, and only love returns to you.

People of Earth, too long you have been lost. Too long you have tarried. Now you must find the way. It has been pointed out to you, people of Earth The great Master who trod your earth many years ago has shown you the way, but your ears have been deaf, your eyes have been blind. You have heeded not His call. Again, O people of Earth, He calls. He is knocking at your door. He is showing you the way again. Shall you follow? All creation is beckoning to people of Earth to come home. The Father awaits with open arms and a forgiving heart. You need only answer the call by giving yourself in complete faith, love and understanding.

We, of other worlds, and other realms, are standing by to help you in every way possible, to make this step forward into a new life, a glorious life, one of love and understanding.

My Peace and my blessings, I give unto you.
